### **"Great Expectations"**

[December 27, 2020 - #4763 Music & the Spoken Word \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

*We all face challenges that shape the course of our lives. But that shape and that course are still ours to choose. Will we be hardened, or softened, by our hardships? Will our difficulties drive us to seek better things, or will they drag us down, causing us to turn our back on belief and hope?*

*To be sure, this past year has been a struggle, a great sorrow for far too many of us. But through it all we carry on, we hope on, we trust in God and find comfort and strength in Him. That is our "Great Expectation" – to bear with perspective and courage whatever the future holds, trusting that if we are bent and broken, we will emerge from it a better person.*

**Judy Note:** Watch the Water. White Hats are in Control. Be Ready 5.5? We Thank You for Your Service...Q

- **Inside the Vaccines Passport Term Agreements** lay the insidious plan to completely track your bank accounts and even body movements, temperature readings, record all your conversations, track all computers, emails, private messages and a lot more.
- **Biden likely to be charged with Treason for deliberately creating food shortages** through the calculated destruction of over a dozen agricultural processing facilities across

the United States in the last few months – one of which occurred **today Mon. 2 May**, but was censored from the news.

- **The new Starlink Satellite System was much more than Internet** –it controlled the Quantum Financial System including the rollout of NESARA/GESARA, plus acted as a Military Particle Beam Weapon with the ability to control the World Grid.
- **The Ukraine War was** bankrupting the Deep State.
- **The US Corporation was already bankrupt, causing** Central Banks across the Globe, along with the US Congress, White House, IRS, Feds and Federal Reserve to be or were in the process of shutting down.
- **With the Global Currency Reset officially rolled out on Sun. 1 May**, we expected **Tier 4B** (us, the Internet Group) to be notified to set redemption/exchange appointments **by late morning Wed. 4 May** to start appointments on **Wed. 4 May or Thurs. 5 May**, according to Bruce.

#### **B. Global Food, Fuel and Goods Shortages:**

- **Big Pharma Set to Control Entire Food Supply:** <https://forbiddenknowledgetv.net/big-pharma-set-to-control-entire-food-supply/> During the 1990s, Monsanto Corporation's devastating attack against farmers; their genetically-modified Frankenfoods and their neurotoxic pesticides inspired people to push government into legislating certification standards for foods. But thanks to Big Pharma, Bill Gates and pop culture media brainwashing, Monsanto still stands strong and is ready to take complete control of your food supply with the help of the same powerful families and foundations who already control the money and the energy. The indoor vertical farming industry, which is a highly-innovative and efficient method is being funded by Bill Gates and pushed by the World Economic Forum as a replacement to conventional outdoor farming. [Aerofarms](#) is the industry leader in vertical farming and they also co-developed the first CRISPR gene-edited produce product and worked with the NIH to produce proteins for the deadly COVID vaxines.

#### **C. Covid/Vax Hoax:**

- **A child is dying of suspected hepatitis in Wisconsin, USA, while an outbreak of a mysterious disease has swept the whole world and the situation continues to worsen:**

There are already 20 cases in the USA and 200 worldwide, at least 18 children need a liver transplant. Doctors, of course, rule out a connection with the vaccine, so here are some studies linking hepatitis with vaccination against Covid-19 (the CDC creates more and more false versions, claiming that children get hepatitis because of the virus:

- **Pfizer and BioNTech's** alarming rapprochement with the Chinese Communist Party.
- **2009: Pfizer opens research** and development centers in three Chinese cities; one of them is Wuhan.
- **2020: Pfizer is partnering with BioNTech** to acquire their mRNA vaccine manufacturing technology to produce mRNA vaccines when the pandemic started.
- **March, 2020: BioNTech** enters into partnership with Fosun Pharmaceuticals from Shanghai, China. Fosun has invested \$100 million in the joint venture. BioNTech agreed to provide patent technology, and Fosun agreed to build factories.
- **2021: Application filed with the U.S. Securities** and Exchange Commission in 2021: There was a 100% technology transfer from BioNTech to China (Fosun Pharmaceuticals is not mentioned).

- **In Shanghai,** the number of deaths from hunger/due to denial of medical care, as a result of suicide, exceeds the number of deaths from Covid-19.

**D. Russia/Ukraine “War”:**

- **In Melitopol, liberated by the Russian troops,** the new city administration canceled all debts of citizens for public services. This measure of support for the population was announced back in **March.**
- **US can't arm Taiwan** anymore because everything is being vacuumed into Ukraine.
- **By invading Ukraine** Putin has successfully bankrupted the Deep State.

- **Bridge near Odessa** through which western weapons were being supplied to Ukraine was completely destroyed.
- **Eight years ago today on May 2nd 2014**, Ukrainian radicals murdered at least 42 people in Odessa for the crime of being Russian. They burned them alive. They had tacit approval from the government; no one was punished. From that day on, it was clear that war had become inevitable. The War in Donbass had barely started; after May 2nd, 1000s of volunteers from Odessa & Russia joined the Militias. Ukrainian social networks were full of “funny” videos of people jumping to their deaths to escape the fire. Restaurants added “Vatnik shashlik” to their menus. Young girls poured the Molotov cocktails that lit the Trade Union House on fire; Ukrainian politicians joked about “the traditional May BBQ” for years; people who were involved in the massacre are now popular bloggers, pundits, advisors, military leaders.
- **Ukraine holding citizens as human shields:** "300 people. Maybe a bit more, I guess." The citizen, who is from the adjacent neighborhoods of Azovstal, assumed that there were about three hundred people on the factory premises. He also told that Nazis threatened people with violence if they tried to leave the bunker. Several hundred peaceful people are still held captive there, behind whom the Ukrainian fighters ruthlessly hide.

## H. The Real News for Mon. 2 May 2022:

- **Inside the Vaccines Passport term agreements lays the insidious plan to completely track your bank accounts and even body movements**, temperature readings, record all your conversations, track all computers, emails, private messages and a lot more.
- **Elon Musk just bought Instagram** (after acquiring Twitter and Pepsi, plus owning the new Starlink Satellite System. Humm. Wonder if there's a connection?)

- **Obama was Hitler's grandson.** Obama's Grandmother Eva Braun 1944 - Southern Highlands NSW: <https://www.southernhighlandsnsw.org/viewtopic.php?t=3039>

<https://t.me/draftworldawakening/16> <https://t.me/draftworldawakening/17>  
<https://t.me/draftworldawakening/17>
- **The new controlled food system is already in place**, and they will stop at nothing to accelerate their control. The future of the food system. "Whoever controls the food supply controls people; whoever controls energy can control entire continents; whoever controls the money can control the world." This famous quote by Henry Kissinger sounds more and more true every week. Globalists already control most of the money, are moving forward very quickly to transform the energy system and are taking decisive measures to control the food industry, while at the same time managing most of it unnoticed.
- **If they control seeds, they control food**, and if they control food, they can use a digital identifier to control consumer access to food. While a series of fires suddenly destroys food, meat and fertilizer processing plants, at a time when farmers are suffering and supply chain problems arise, imagine a day when there are no more farmers' markets, you can't drive up to a local farmer to buy groceries or pieces of meat, and the only food, grown outside the globalists, protected by indoor vertical farming and laboratory meat production facilities, is on your windowsill, garden or greenhouse.
- **The indoor vertical farming industry** was estimated at \$5.5 billion in 2020 and is projected to reach \$19.86 billion by 2026. The urban economy in enclosed spaces controlled by globalists is the future of food, which they have rethought, and it is already in thousands of grocery stores, and people do not realize it. While the US is leading the industry, it's a global agenda with vertical farms popping up all over the world.
- **In the future, the new Bowery Farming facility in Arlington, Texas**, will be able to serve 16 million people within a 200-mile radius. This is just one of dozens of vertical farming companies with huge facilities across the country supported by large investors.
- **The University of California** is developing a plant-based mRNA vaccine in the hope that farms will be able to grow edible vaccine heads of lettuce.

- **The U.S. Department of Agriculture and the U.S. Food and Drug Administration (FDA)** have already approved lab-grown meat, genetically modified cattle and are funding globalists for research and development of cellular agriculture, as well as indoor cultivation and genetic companies.
- **Over the past few months**, more than a dozen large food and meat factories have "accidentally" caught fire.
- **Union Pacific is demanding a 20% reduction in rail transportation**, which will affect CF Industries Holdings, the world's largest fertilizer company. Vanguard, BlackRock and State Street are the largest shareholders of Union Pacific, and BlackRock and Vanguard are among the three largest shareholders of CF Industries Holdings. It becomes obvious that this is a global control plan for all products — ingredients that are included in all food products.
- **The food industry has already been monopolized by 10 companies**, the main shareholders of most of which are Vanguard and BlackRock. What happens when they control all the seeds, products and meat? What happens when food and meat are grown in protected areas after gene splicing or in a Petri dish, and agricultural land becomes inactive due to excessive regulations, lack of materials and artificial inflation?
- **In 2014, under the Obama administration**, Congress established the Food and Agriculture Research Foundation (FFAR) Act through the Farm Bill, which eventually created a non-profit organization outside of government with an initial capital of \$200 million with the support of Bill Gates. This fund will "use public and private resources to expand scientific and technological research, innovation, and partnerships critical to the development of America's agricultural economy."
- **April 2, 2019 FFAR** announced the creation of the Precision Indoor Plants (PIP) consortium, a public—private partnership consisting of producers, breeders and genetic companies, including AeroFarms, BASF, Benson Hill Biosystems, Fluence Bioengineering, Green Venus. Their focus is on five key crops: lettuce, tomatoes, strawberries, cilantro and blueberries, with the aim of promoting accelerated reproduction and changing the chemicals produced by plants. Money began to pour into the new future of food — the urban vertical closed economy, where, as they claim, all the masses will eventually migrate.
- **Bill Gates** insists that droughts and climate change deprive us of the opportunity to engage in agriculture and that in the future the population will move to megacities where vertical indoor farming is necessary in order to feed people. If so, why did he acquire 242,000 acres of farmland over the past decade while investing in indoor vertical farming at the same time? Who can sit at a table with healthy foods served by Gates, while the rest of the population eats foods with edited genes from enclosed spaces that are delivered to their local grocery store and accessible only through a digital ID?
- **Meanwhile, the Advisory Group for International Agricultural Research (CGIAR)** Owns the world's largest private seed banks, consisting of 10% of the world's germplasm

worldwide, which are controlled by the Bill and Melinda Gates Foundation, the Rockefeller, Ford Foundations and the World Bank, managing 768,576 seed samples.

- **As soon as the future of food through vertical farming** took root, by August 2020, Monsanto/Bayer and Singapore's sovereign wealth fund Temasek launched a \$30 million startup called Unfold, which is developing new varieties of vegetable seeds adapted for vertical farms. Bayer has licensed the rights to germplasm seeds from its vegetable portfolio. By 2021, they had leased a 12,000-square-foot laboratory research building in Davis, California.
- **But don't worry, instead of genetically modifying and inserting the gene into the DNA chain,** as Monsanto (acquired by Bayer in 2018) did, they intend only to cut out the gene while still modifying its DNA."
- **Vertical farms are taking over the world.** Founded in 2014, Plenty is a privately held company headquartered in San Francisco, California. They use hydroponics to grow leafy greens. Plenty serves more than 430 Albertsons supermarkets in California, including Safeways and Vons, with businesses in Compton and San Francisco. In 2020, the company entered some Whole Foods Markets supermarkets in the Bay area. The company's goal is to build 500 vertical farms in densely populated urban areas around the world. The company has raised more than \$940 million from 13 investors, including Bezos Expeditions.

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped,

tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

#### **O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

**Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**R. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
